Love Stepping Stone

Daichi, how many times do I have to tell you this?
The one like is Takashi-kun!
Hoshino Sora
(9 years old Class 4-1)
Just give up already Daichi! That Sora is head over heels for Takashi! To be honest, out of every single student here!
I think Takashi himself is the only one who hasn't noticed it
Uuh... But I've liked Sora-chan ever since our first year...
Hey, Daichi-kun, Kenji-kun! Hurry up so we can go to the usual candy store!
We're gonna be late to meet Takashi-kun at this rate!
I Love Cafeine
The boys favorite shop
Takashi-kun must be a regular costumer
If I know the place I can run into Takashi-kun more often.
Hey Daichi kun, can I go with you?
Eh!? Of course!
Daichi, you're being deceived!
